**NAMMCO**

[www.nammco.net](http://www.nammco.net)

Easy to transport to the field.

Durably made in the USA from quality materials with pride in workmanship.

Superior field performance with a high moldboard providing maximum soil movement and exceptional leveling.

Friendly to operate. Easily deployed from transport configuration to operating position by one operator in minutes

Efficient 40-foot span provides low cost operation. Levels the same acreage as an average land plane in one-third the time. One tractor and one Land Grader equals three tractors and three ordinary land planes. Save up to 66% in fuel costs.

**LAND GRADER**

Weight	4,360 pounds
Cut Width	40 feet
Transport Width	80 inches
Cut Edge	Reversible spring steel
